## *Welcome to the British Transatlantic College*

*A specialist college for international education, offering A'level, IGCSE & University Foundation Programmes for students who want to study abroad*

Welcome to British Transatlantic College (BTC), a world-class, independent, co-educational college designed for students from ages 14 to 19, who are determined to the pursuit of global education. We offer IGCSE, A'Levels and University foundation programmes leading to direct transfer to recognised universities in the United Kingdom, United States of America, Canada and other parts of the world.

Our Mission is to nurture intellectual curiosity, unlock students' potentials, and enabling natural talents of every student to flourish within the global community.

At BTC, we strive to actualise the desire of every student who want strong academic background in life.

Our goal is to help every student to secure a place at a recognised university abroad and then having a successful and rewarding world class career.

It is hope that you will find this prospectus very useful and have a flavour of who we are and what we do.

Please use this prospectus in conjunction with our website as an introduction to the next stage of your learning and progression to a world class education.

You are most welcome to visit the college at a time convenient to yourselves to meet us and explore our facilities. We share your determination to receive the best possible education in life and we are very committed to make this dream happen for you.

# BOARDING FACILITIES

- ◆ Our boarding is home away from home, a place where every student should feel relaxed and comfortable.
- ◆ The rooms vary from double bed room to a maximum four bed apartment, depending on student preferences.
- ◆ Some of our rooms are ensuite.
- ◆ Each student has a Dormitory Parent.
- ◆ The role of the Dormitory Parent is to be a caring adult and role model for each student in his or her dormitory.

- ◆ We have a flexible, rolling admissions policy and welcome applications for students aged 14 to 18 all year round.
- ◆ We accept application all year around for either October or January starts.
- ◆ We understand that families with more than one child will want their children to attend the same school and we do our very best to accommodate this.

# 13 Reasons to Study at the British Transatlantic College

## Experienced Teachers

All our subject leaders have minimum of 15 years teaching experience. Our subject leaders are carefully best hands in the industry. It is the College policy for all our teachers to have UK qualified teaching qualification.

## Modern learning facilities

We use modern learning facilities to deliver teaching. We have well equipped specialist laboratories for sciences. We also have arts and media studio facilities. Our IT provision is second to none, with modern learning software and Internet facilities.

## Guaranteed University Admission

Every student who successfully completed our University Foundation Programmes is guaranteed University admission abroad.

## Small class size

Our Student-teacher ratio is 10, and the average class size is 20. Our classes are the size of exclusive university seminars.

## Non School Uniform Education

We operate a Non School Uniform Education. The aim is to prepare students for the real life world early in life.

## Holiday Provision

We have provision for student to stay on campus during holidays. This is appropriate for students who live very far or international students who like to stay back during short holidays.

## Unique and Natural Learning Environment

BTC is situated in a unique and natural learning environment, thriving in an atmosphere that encourages character development and academic achievement.

## Compulsory life skill module

Apart from high quality of teaching and learning provision, every student undergo compulsory life skills module: Speaking, Listening and Presentation Skills and Social Research skills, socio-political skills. BTC is dedicated to give a well-rounded educational foundation that student can build upon in life.

## Discipline and mentorship

We are very strict with discipline and the College does not bend its rules and policies.

## Free destination follow up service

We don't just end our relationship with students when they leave our college, we help them navigate their future career and follow up their destinations. For example, when student graduate and move on to University, we still check on them from time to time to ensure they are still on the pathway to successful life.

## Personal Development Plan (PDP) for every student

Every student has a Personal Development Plan (PDP), which gives them a clear sense of direction about their academic and career aspirations.

## Individual Learning Plan (ILP) For Every Student

Every student has an individual learning plan. ILP is a live document that tracks student journey in school and also serves as a benchmark to measure students' performance against key performance criteria.

## Mandatory trips and excursion

Some of these trips and excursion are free and are integral part of the school curriculum.
